

KSE[®]

The World of T & D Hardwares

Corporate Profile

KSE - The One Stop Solution to all your needs of Power Transmission & Distribution Line Materials.

Founded in 1962, KSE started manufacturing Electrical Cable Accessories and then diversified into Transmission & Distribution Materials like Connectors, T & D materials, Fabricated Steel Structures, Hardwares, Accessories in its various plants located in Kolkata India.

KSE's Production line includes Overhead Line Hardwares & Accessories, Fabricated Steel Structures, Cable Lugs & Connectors, Earthing Materials, & allied products. To cover the entire project KSE also supplies Insulators, Conductors & Earth Wires, as part of the package.

The Manufacturing Plants & Offices are ISO 9001 :2008 and ISO 14001 :2004 Certified and implements strict quality control at various stages, meeting customer requirements & international standards.

KSE customers are Electrical Utilities, EPC Contractors, Equipment Manufacturers, Railways, Telecom & Diverse Field of Power Sector. With customers in India & across continents world wide in more than 35 countries, KSE enjoys a wide spectrum of approvals & experience in working with many companies.

KSE's operations are backed by highly experienced & trained man power, with strong support from the management, who is dedicated for growth & smooth functioning of the company. World Class Infrastructure is available at KSE's plants, where products are manufactured to International Standards, meeting & exceeding customer demands.

State of the Art Plant & Machineries procured In India as well as Imported from Abroad, facilitates fast production and consistency in product quality. The operations & work flow are connected through

SAP ERP programs. Calibrated Test Equipments are available in the factory Test Lab for conducting various type test & acceptance test, both for Inhouse & for 3rd party Inspection.

Global Competence - With Exports to more than 35 countries world wide, KSE has a strong focus & commitment in the International Power Sector. KSE is expanding its capacity to serve the export market in a better way, for the coming future.

Energizing the Nation - KSE's products are used in almost India's entire power sector in various projects, taken up by Leading EPC contractors, State Electricity Boards, Power Distribution Companies, and their suppliers.

KSE a prominent name in T & D Industry.

Product Profile

Fabricated Steel Structures

- Cross Arms for Steel & Wooden Poles.
- Cross Arms for Transformer & Fuse Cut outs.
- Channels for Mounting Pole Equipments.
- Tower Parts, Straps, Ties, Support Brackets.
- Substation Structures.

Pole Line Hardwares

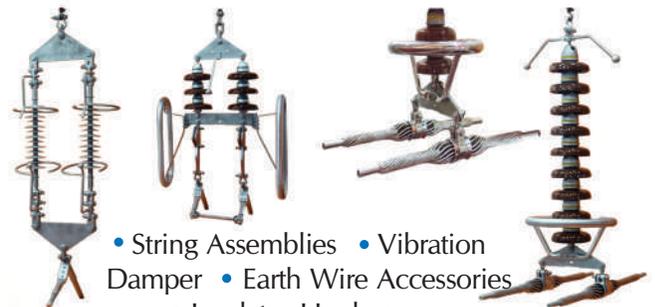

- Pole Fittings
- Staying Equipments
- Structural Steel Cross Arms & Steel Works
- Fasteners - Bolts, Nuts & Washers

Distribution Line Materials

- Insulator Hardwares
- Conductor Accessories for ACSR, AAC, AAAC, Ground Earth Wire
- Conductor Clamps & Connectors
- Fittings for ABC -Aerial Bundled Cables -Insulated
- Overhead Networks

Transmission Line Materials

- String Assemblies
- Vibration Damper
- Earth Wire Accessories
- Insulator Hardwares
- Conductor Accessories for ACSR, AAC, AAAC.

Connectors

- Cable Lugs & Connectors
- Mechanical Screw Connectors
- Bimetallic Lugs & Connectors.
- Split Bolt Connectors
- H Type & C Type Compression Connectors
- Insulation Piercing Connectors

Helically Shaped Fittings

- Guy Grips
- Line Guards
- Armour Rods
- Insulator Binding
- Pole Top Make offs
- Armour Grip Clamp

Polymer Insulators

- Suspension Insulators
- Tension Insulators
- Pin Insulations
- Line Post Insulators

Other Transmission & Distribution Products Marketed

- Do Fuse Cut Outs.
- Lighting Arrester
- Power Cables.
- Conductors - AAC, AAAC, ACSR
- Earth Wires & Stay Wires
- Cable Jointing Kits
